### Travel Insurance

Without travel insurance you and/or your family are personally liable for covering any medical and associated costs you may incur while travelling. We strongly recommend you take out a full coverage travel insurance policy at the time you pay for your booking. All itravel agents are FSR compliant and can recommend a policy to suit your needs. It is your responsibility to read and fully understand the Product Disclosure Statement of your insurer.

### Disclosure Authorisation

In the event that a natural disaster or other emergency is reported to have occurred in a country where you may be visiting at that time, you authorise itravel to disclose the details of your itinerary and contact details to the Australian Department of Foreign Affairs and Trade.

### Passports and Visa Requirements

All travellers must have a valid passport with at least 6 months validity beyond the period of intended stay. Some countries require a longer validity. Permanent residents travelling on a foreign passport must hold a Resident Return Visa to re-enter Australia. We recommend that you check the entry requirements of the countries you plan to visit or transit, including all visa requirements, with the relevant foreign embassy or consulate.

It is your responsibility to supply your full name as per your passport to your itravel agent. Incorrect names will incur cancellation and/or change fees.

### Health Requirements and Vaccinations

Some countries require you to be vaccinated against specific infection and/or diseases. We recommend that you consult with your doctor or specialist vaccination clinic before commencing your travel. General health advice for the destination you wish to visit is also available at the Department of Foreign Affairs and Trade website: [smarttraveller.gov.au](http://smarttraveller.gov.au).

### COVID-19

We strongly recommend that you check the current status and updates to Australia's immigration and border arrangements relating to COVID-19, available at <https://covid19.homeaffairs.gov.au>

For domestic travel within Australia, we strongly recommend you check the protocols for entering other states. [Click here](#) to check the latest information.

In addition, you should familiarise yourself with airline and other service providers' COVID requirements which may include, but not limited to providing proof of full COVID-19 vaccination, the requirement to wear masks during travel and/or adhering to border control requirements in relation to COVID-19 tests.

You acknowledge that you are choosing to travel at a time where you may be exposed to the Coronavirus. It is your responsibility to acquaint yourself with all relevant travel information and health risks. You acknowledge and assume responsibility for the risks associated with travelling at this time. To the fullest extent permitted by law, we accept no liability in relation to these additional risks.
